

MOMENTOUS OCCASIONS

Vol. 6, #1, March 8, 2009

The Bridge team shares in a weekend retreat 2 weeks before the first public service.

The Building

We hope to hear THIS WEEK about a building with enough space to house the church, offices, and housing for short-term teams and interns. After a long search, this one is in the exact location we had always desired! Please pray for negotiations on cost and needed renovations. We will be inviting **building teams** soon to help turn this old warehouse/office space into a vibrant ministry center! See www.thebridgeparis.com to follow our developments in Paris as we start to meet in a temporary hotel location on March 14!

We are preparing for The Bridge's 1st public service this Sunday!. Our "grand opening" will then be on Easter Sunday. Our core group has grown to about 30 adults and 15 children. Keep our entire team in prayer!

We have been blessed by a team from [Maranatha Worship Center](#) in Wichita, KS ministering to the kids on our team. A student/faculty team from [Evangel University](#) is now here kick start our opening Sunday.

The Team

Our team is experiencing a growth spurt! Katie Bailey, who worked together with us in Holland (left) arrived March 4 and she will be attending our language school. The Wolf family—Mark, Tonia, Isaac & Hannah— arrived just before our retreat and will be focusing on developing children's ministry. Finally last week, Kelly Delp (right) received her clearance and will arrive in Paris tomorrow (March 8)!

The Family

We are halfway through language school now (which still takes up most of our time). God is blessing our minds, ears and tongues, but it is hard work! The kids are having good school experiences, but Luke has been struggling with sickness lately.

The Prayers

Building opportunity—That our offer (above) would receive favor.
Health—Pray specifically for Luke, but the rest of us as well.
School/Housing decisions—In July we leave language school and relocate to the other side of Paris to be closer to The Bridge.

As always, THANK YOU! We pray for you, as you pray for us!
Partnering with you— Todd, Amanda, Tessa, Sophia & Luke Tyson
